Council, GSA Attn: Laurie Duarte
1800 F. Street N.W. Rm 4035
Washington, D.C. 20405

Dear Ms. Duarte -

I wish to express my and my wife's serious objection to the repeal of the Responsible Contractor Rule. - re FAR Case 2001-014. The record of companies is so poor that those which continually and insistently break the law, polluting, breaking minimum wage laws, dump waste in violation of health rules, etc., etc. must be forced to reform by withholding contracts until they behave.

Sincerely,

Edward Anderberg

Nancy M. Anderberg
